

Stanislav Schneider

Stanislav Schneider is an expert in European funds and regional policy with more than twenty years of experience in public administration. Thirteen years of his career have been devoted to European affairs, both at the national and international level. He worked at the Permanent Representation of the Czech Republic to the EU in Brussels and participated in the negotiations for the Czech Republic's accession to the EU in the field of regional and structural policy, which included the implementation of pre-accession support instruments and programs for the period 2004–2006. He was also a member of the negotiating team for the EU multiannual financial frameworks for 2007–2013 and 2014–2020, including related regulations and EU implementing legislation, among other things, contributing to the structure of strategic and program documents of the Czech Republic.
