

Siret Soonsein

Siret Soonsein is a Grants Development Expert at the State Shared Service Centre (Managing Authority for Structural Funds in Estonia), where she coordinates the implementation of the national Recovery and Resilience Plan and develops result-based financing schemes such as Financing Not Linked to Costs. She has over seven years of experience in managing EU and national grant programmes, with a background in project selection, monitoring, and evaluation. Her previous roles include service coordination for entrepreneurship support schemes and project management in international cooperation programmes.
